
FS: MINT Monomachine SFX-60

Posted by Aron_Ryan - 2006/08/09 01:20

I'm selling my Monomachine SFX-60 because I just can't find enough time to devote to the machine (between work, Ableton Live, etc.).

It was purchased direct from Elektron at the end of June 2006; so it's only a month old. The machine is in mint condition without any scratches, and is also in perfect working order. I've probably used it for no more than 5 or 6 hours.

I will ship to just about anywhere, but the shipping costs will be dependent on your location (I'm in Washington DC).

I'm also selling my Machinedrum-UW, which was also purchased at the end of June 2006. Please see my other post if you are interested in purchasing it (it's also in mint condition).

Please contact me if you are interested. I would be happy to email pictures to you.

I can take cashiers check, money order, or Paypal for payment. I will also consider doing this through eBay if that would make you more comfortable.

Thanks,

Aaron
