i fucking hate taxes...

- SFX-60 in great shape except one of the LED's to indicate step length (the 48 thru 64 one) is out; really, not a big deal and isn't hard or annoying to work with or anything; \$950
- Evolution UC-33 in perfect shape with box; \$125
- Korg MicroKontrol in perfect shape with box, manual and carrying bag; \$175

pics available on request
