
3 new toys on the way!

Posted by sensorium - 2006/10/08 15:20

I just had a splurge day on ebay, and I won 3 new toys. If anyone is using any of these, please elaborate on your experience with it/them. Thanks:

Roland SVC-350 analog vocoder
TC Electronic M3000 reverb/delay
Drawmer DS-201 Dual Noise Gate
