
Metasonix Butt Probe Users...help.

Posted by jsrockit - 2006/02/28 00:26

I always hear demos of the Butt Probe that are just over the top distortion. However, someone told me it is capable of much more than this. Can someone post an MP3 of some of the more subtle uses of this effect?

Why would you want to use something named the 'Butt Probe' subtly?

yeah, I have seen your posts on a few different forums...but you generally love the over the top stuff. I'd love to hear some other sounds from the unit if you have time. Thank you.
