Posted by lhatederereed - 2013/09/03 22:23

We arrived a couple of hours ago. About to go out exploring. Ill be in Oslo until Friday morning. We fly to Stavanger, Friday, for Numusic. We then fly to Copenhagan on Monday. We leave back to the states next Thursday.

We are staying in the Northerntheatre section of Oslo. If anybody is near and would like to grab a drink, let me know.

Beautiful country so far.

Hey man! Didn't see your post until now. Come to Victoria Jazzscene tonight! Vladislav Delay playing, it's going to be immense!

Dead center in Oslo, Karl Johans Gate 35 - it's probably really close to where you're staying. :)
