
A4 midi sync question

Posted by fredbo - 2013/09/03 02:47

hy,

i appreciate some info about my problem..

I need use A4 as slave from computer, and i connect usb port. Ok it's run in time, but is it possible connecting also midi out from A4 to another device for send midi sync at the same time.

A4 receive and send at the same time or not?

Many thanks

Fred
